## Hot rebates this summer to help cool your house!

**The deadline to receive the additional \$1,000 rebate on qualifying projects has been extended through September 30<sup>th</sup>.**

### BayREN Home+ is offering hot rebates this summer to help cool your house

During this challenging time, **BayREN Home+** program is helping families reduce their energy bills while making their homes healthier and more comfortable this summer with an **additional \$1,000 to the \$5,000** in rebates for energy efficiency upgrades.

Families can prepare their homes for the summer heat with the confidence that Home+ Participating Contractors have taken required COVID-19 safety trainings and building science courses.

#### Eligible Improvements

You can get new efficient air conditioning and heating systems, weatherize your home, and better insulate your home to maximize the benefits. BayREN Home+ Homeowners can take advantage of these rebates now throughout the Bay Area for a combination of qualifying measures:

- Efficient air conditioning and/or furnaces
- Efficient water heaters
- Attic insulation
- Duct sealing and/or replacement
- Weatherization
- + Electrification Options

Qualifying projects must combine one or more building shell measures with a heating or cooling measure and the measures must be completed simultaneously as part of the same project. Measures must be installed between **June 1, 2020 through September 30, 2020**, and rebate applications must be submitted by October 15, 2020.
